

A message from Mr Thy, Nget Sothy, Director, Chumkriel Language School:

I would like to thank all our supporters who have helped Chumkriel Language School during 2018. Without you we would be unable to continue our life changing work for poor the children of Chumkriel.

This year CLS provided education to more than 600 students and provided simple housing to 10 families to give them a hand up. Thank you so much for your ongoing generosity.

Making a difference

Susan is 12 years old and has finished her first year with CLS. "I love school because I want to get knowledge. I like reading in the library, playing soccer with my friends and English classes. My favourite book is *Stone Soup*. When I grow up I want to be a doctor so I can help sick people and my family," she says. [Hear from Susan here.](#)
