

Chumkriel Language School

Christmas Appeal

Dear firstname,

Thank you so much for your support this year. This has allowed us to continue providing education for the children of Chumkriel Community, and material and emotional support for the most needy families. The latter has been particularly critical in present times when COVID has deprived so many of regular employment and income.

If you would like to share a little Christmas cheer and kindness with our students for the year ahead, please consider donating to one or more of their needs below.

AU\$100 buys a bike for a child to go to and from school each day.

AU\$55 buys 15 books for the library, benefiting 100+ students.

Send a beautiful Christmas ecard to your friends when

you buy the gift of education

AU\$200 contributes to repairs to our playground for students to play on during breaks.

AU\$100 to build one seat under a campus tree for shaded outdoor lessons.

AU\$150 supports a month's English lessons for 30 students.

This Christmas, if you are able to spare a donation to us, large or small, one-off or ongoing, we would be very grateful.

All donations received before 25 December will receive a beautiful Christmas e-card that you can forward to a friend to let them know you've bought them the gift of education for a child in Cambodia. The e-card will be emailed to you within a day.

My good wishes for a wonderful Christmas with your families and loved ones
Nget Sothy
