

Chumkriel Language School

Christmas Appeal

Dear firstname,

We are again so grateful for contributions from our supporters over the last year. This has allowed us to continue our work through 2023 with the families of Chumkriel and its neighbourhood. See our snapshot below of how your generous donations have helped.

AUD500 spent each month for 82 children to attend daily lessons at our Learning Centre.

AUD600 spent each month for 28 children to receive a hot lunch at our Soup Kitchen.

AUD120 for each bike purchased to allow students to get to and from school.

AUD100 spent each month transporting twenty-one children daily from the salt fields to school on our school 'bus'.

AUD100 spent in a year for each student attending English classes at our Evening School.

And so much more:

- skills taught to children in our vegetable garden
- uniforms provided for our students
- school and university scholarships
- community outreach in areas such as shelter, food and health.

This vital work is possible only with the support of so many good people like you. Are you able to share the joy of Christmas this year by

considering a further donation to benefit the children and families of Chumkriel?

**My thanks and good wishes for a wonderful Christmas
with your families and loved ones.
*Nget Sothy, Executive Director***
