

CHUMKRIEL LANGUAGE SCHOOL NEWSLETTER JANUARY 2022

BACK TO SCHOOL!

The school opened again on 10th January 2022. There are 103 students at the Learning Centre, 331 students attending Chumkriel Evening School, 30 students at the Salt Field school, and 100 students at Angprey Evening School. The students are happy to be back to work and arrive early as they can't wait to start classes.

130 students from the poorest families were assisted with stationery, uniforms, bags, and shoes at the start of the school year.

CHRISTMAS GIFT SPENDING

We are so grateful to be able to report that your Christmas gift donations have allowed us to buy bikes for four students, and to provide a playground at Angprey which is being used by 100 students.

COMMUNITY OUTREACH

Habitat for Humanity has cooperated with CLS for the past three years in a building program helping people in our local community. In 2021 this program supported twenty-seven families, building nine houses and thirteen toilets, and repairing another five houses. Apart from the shelter and toilet facilities afforded to these families, benefits include:

- Improved school attendance by children.
- Better health and hygiene for all family members.
- Improved employment and income associated with the better health and fitness of parents, and thus their availability for work.

The program is a life changing initiative made possible by the generous and continuing support of Habitat for Humanity.
